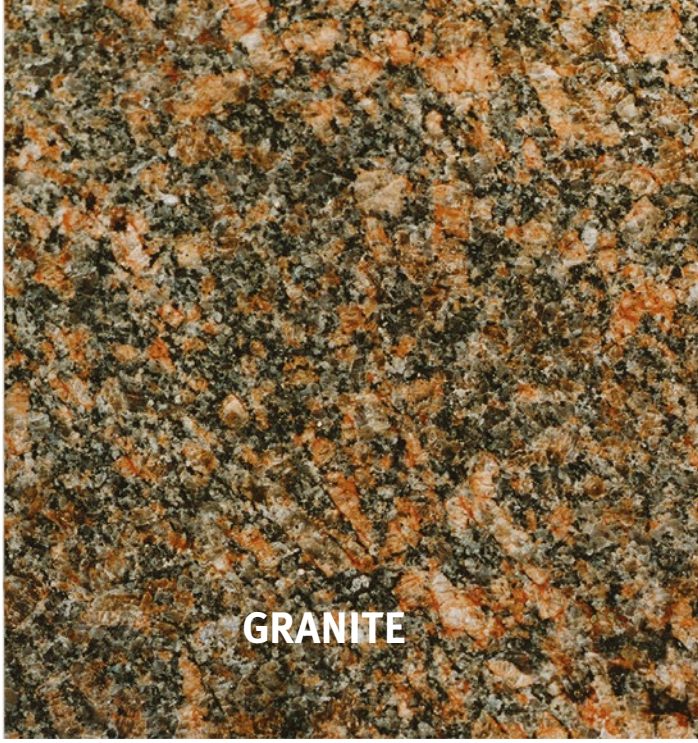
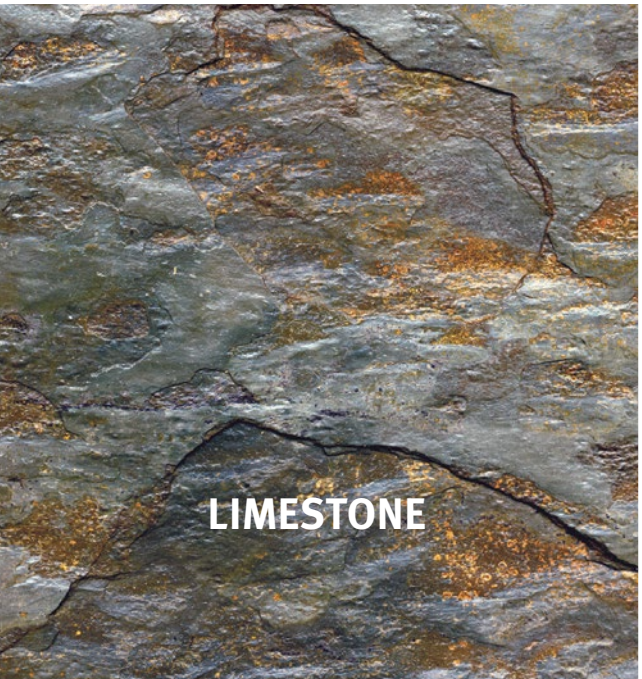
STONETECH®

Your Surface Care Product Guide for Natural Stone, Tile and Masonry



STONETECH® Surface Care Products are reliable, high performing and, thoroughly tested giving today's savvy stone professionals a competitive edge. Now you can **Protect**, **Clean and Transform** your natural stone, tile and masonry — and ensure the quality of your work for years to come.



Protect... Clean... Transform

STONETECH® Surface Care Product range features innovative water and solvent based, high performance products that have been thoroughly tested to give stone professionals a competitive edge. The STONETECH range offers you and your client low VOC options for advanced stone care. You can **protect**, **clean** and **transform** natural stone, tile and masonry – while protecting the environment and ensuring the quality of your work for years to come.

Protect

Protecting natural stone, tile or grout with STONETECH® Surface Care Product range means you are protecting loved ones, the environment and your investment all at the same time. The majority of the STONETECH range of protective sealants is water-based ensuring high performance and heavy duty protection, but more importantly, producing low VOC's and minimal odour. The environmentally friendly sealers protect against stains such as water, oils and other liquids and make cleaning up easy.

Sealers

MAXIMUM STONETECH® BulletProof® Sealer

- Maximum protection against most stains
- Advanced penetrating microbond protection
- Preserves natural look

- Grout and seal in one easy step
- Protects grout against stains
- Water-based
- Professional grade

Recommended Surfaces: Recommended for use with cementitious grout in natural stone, ceramic and porcelain tile installations. Not for use with epoxy grouts.

Available Sizes:
- 798 ml x 6 per case
- 1.98 L x 4 per case

*Sizes may not be available. Please contact LATICRETE Australia for details.

Clean

The range of STONETECH® Surface Care Products are specifically formulated for stone and tile by a team of dedicated scientists. Unlike everyday household cleaners that contain harsh and abrasive ingredients, our gentle water-based, easy to use formula has been designed to care for natural stone and tile on a daily basis. The heavy duty range is designed for tougher jobs but still offers the same water-based, environmentally friendly formula.

Daily

STONETECH® Revitalize® Cleaner & Protector

- Cleaner and protector
- Built-in sealer reinforces protection
- Gentle formula
- Makes surfaces easier to clean
- Available in citrus scent
- Ready-to-use and concentrate formulas
