LATICRETE is a family-owned, customer focused, world-wide manufacturer and marketer of green Tile and Stone installation systems for flooring and facade applications in residential, commercial and industrial market segments, in Australia and internationally.

For over 60 years LATICRETE has provided permanent installation systems and the technology for world renowned projects including: Marina Bay Sands Pool in the Sky, Singapore; Infintiy Tower, Dubai; and Al Hamra Tower, Kuwait, to name a few.

LATICRETE is proud of its commitment to supply Architects, Developers and Specifiers with the most up-to-date information about products and services for innovative installations and repairs in the construction market. LATICRETE offers a dedication to quality that results in globally proven solutions for virtually every tile and stone application, from adhesives and grouts, to waterproofing, sound control, cleaning, sealing and underlayments, and swimming pool and spa tiling systems.

At LATICRETE we offer:

- Complete system solutions
- GREENGUARD Certified Low VOC products
- Comprehensive commercial and residential warranty programs
- Specifications tailored for your projects
- In-depth technical support

Warranties

LIFETIME*
Warranty

25 YEAR*
Warranty

15 YEAR*
Warranty

LATICRETE offers a comprehensive 100% labour and materials warranty for tile and stone installations, underwritten by an AAA rated Global Insurance Company. Combined with over 60 years of worldwide experience, LATICRETE is the recognised leader in product quality and installation expertise.

LATICRETE warranties cover any suitable tile or stone manufacturer's product, allowing you to select the appropriate product and finish you desire for your project with confidence.

Customisable warranties are available to suit your specific project requirements.

The most comprehensive assortment of tile and stone installation materials available for virtually any tile or stone application around the world.

Our highly trained and experienced Technical Support personnel stand ready to assist you with project specifications, details, LEED compliance information, and to address any installation questions for your project.

Architects, Engineers and Developers have trusted LATICRETE with their tile and stone installation requirements. Let our global experience, product quality and technical support assist you on your next project — no matter where it is.

To qualify for the selected System Warranty, the LATICRETE products listed in each application as indicated on the applicable LATICRETE system warranty documents:

- DS-1097 LATICRETE System Warranty
- DS-1145 LATICRETE Swimming Pool System Warranty
- DS-1242 Masonry Veneer Installation System Warranty

must be used throughout the entire tile and stone installation in full accordance with the instructions listed on the respective product data sheet. Please visit au.laticrete.com for product data sheets and more information.

LATICRETE products listed on longer term warranties apply to shorter term warranties. However, if a product with a shorter warranty term is used within the installation system the warranty of the shorter term prevails. Contact LATICRETE Technical Services for additional information.
