

Globally Proven
Construction Solutions

MULTIFLEX Adhesive

FEATURES

Tenacious bond

Extended open time

Smooth creamy formula

Economical choice in rubber-modified adhesives

BENEFITS

Superior adhesion to a wide variety of substrates and veneers, allowing for installations in virtually all climates and conditions.

Increases productivity and flexibility on the job site, resulting in fast, accurate installations.

Easy to trowel adhesive assures proper coverage on both the substrate and the veneer, as well as reduces fatigue.

Specially formulated for trade and commercial installers.
