

# STONETECH® Soap Scum Remover

STONETECH® Soap Scum Remover is a ready-to-use, powerful specialty cleaner specifically formulated to remove stubborn soap scum, hard water stains and dirt on natural stone, tile and grout. Unlike other household cleaners that may harm or degrade natural stone, STONETECH Soap Scum Remover gently cleans soap scum build up on natural stone without scratching. It features a foaming action sprayer that allows the cleaner to adhere well to vertical applications and avoid messy drips. Great for use on bathroom vanities, showers, tubs and more

**Globally Proven  
Construction Solutions**

## FEATURES/BENEFITS

- Eliminates stubborn soap scum, hard water stains, and dirt
- For natural stone, tile and grout
- Spray on foam, cleans and shines
- Leaves a fresh, clean scent
- No VOC - Better indoor air quality

Do not freeze or store above 38°C. Do not mix with other chemicals. Do not release into natural waterways.

## TECHNICAL DATA

### VOC/LEED Product Information

0.0% Consumer Product for regulatory purposes

### Physical Properties

Form:	Liquid
Colour:	Clear
Odour:	Mild Citrus
pH:	12.45

Specifications subject to change without notification. Results shown are typical but reflect test procedures used. Actual field performance will depend on installation methods and site conditions.

## INSTALLATION

### Surface Preparation

Read entire label before using. Use only as directed. Always test in a small inconspicuous area to determine ease of use and desired results. Make sure surfaces to be cleaned are swept or vacuumed to remove loose debris. Avoid skin and eye contact. Wear protective eyewear and gloves. Keep children and pets out of the area during application and drying.

### Directions

1. Spray STONETECH® Soap Scum Remover directly on soiled area. Avoid applying product onto unintended surfaces.
2. Clean surface with clean cloth or stiff nylon brush as needed.
3. Rinse area well with clean water.
4. Wipe area dry with clean cloth.
5. Repeat as needed for heavily soiled areas.

† United States Patent No.: 6,881,768 (and other patents)

## AVAILABILITY AND COST

### Availability

LATICRETE® and LATAPOXY® materials are available worldwide.

For Distributor information:

Toll Free: 1800 331 012

Telephone: 07 3865 1599

For online distributor information, visit LATICRETE at [www.laticrete.com.au](http://www.laticrete.com.au)

### Cost

Contact a LATICRETE Distributor in your area.

## MAINTENANCE

LATICRETE and LATAPOXY grouts, sealers and sealants require routine maintenance and cleaning with a neutral pH detergent and water. See TDS 1113 for more information.

All other LATICRETE and LATAPOXY non-finish materials require no maintenance but installation performance and durability may depend on properly maintaining products supplied by other manufacturers.
