SPECTRALOCK® PRO Premium Grout[†]

Patented, high performance epoxy grout with excellent color uniformity, durability and stain protection

FEATURES	BENEFITS
StainProof [^]	SPECTRALOCK® PRO Premium Grout [†] is StainProof [^] and never needs sealing; helps keep tile installation looking brand new for years.
Non-sag formula	One grout does it all; SPECTRALOCK PRO Premium Grout is easy to install on both walls and floors; resulting in beautiful flush grout joints.
Exceeds ANSI A118.3 properties	SPECTRALOCK PRO Premium Grout is strong and durable, with performance proven by more than 10 years of successful installations. Provides excellent stain and chemical resistance.
Vibrant, consistent color	Excellent color uniformity; no blotchiness or shading, will not discolor from neutral household cleaners. Non-pigmented.
Unique design capabilities	Optional SPECTRALOCK DAZZLE™ component is a design element that compliments tile and stone; metallic accents, vibrant color accents, mother of pearl and glow-in-the-dark bring grout to the forefront; designers can now specify grout as part of the overall tile and stone design instead of minimizing the grout joints.

Uses

- Interior and exterior on floors and walls^{^^}
- Residential and commercial
- Swimming pools, fountains and permanent wet areas
- Ideal for regrouting applications
