

Innovative Tile and Stone
Installation Systems

AIA-29 Designing Exterior Installation System for Large Format & Gauged Porcelain Tile and Panels

Provider: LATICRETE International, Inc. (J-037)

Program: Designing Exterior Installation System for Large Format & Gauged Porcelain Tile and Panels

Program #: AIA-29

Credits: 1 LU Hour

HSW: Yes

Description:

This presentation will discuss the most important elements of design and important considerations for large format and gauged porcelain tile and panel installations. We will cover what installations materials to use, what the industry recommends and why, and then we will spend some time covering the installation process and how to plan for such. We will also touch on the applicable construction codes and the industry standards relevant to these challenging installations.

Learning Objectives:

At the end of the program, the participant will be able to:

1. Review critical elements for exterior applications.
2. Explore selection of proper materials for exterior installation as well as proper methods of installation
3. Review applicable building codes and industry standards.
4. Understand special design considerations needed for successful installations.

Approach:

A PowerPoint presentation that incorporates photo images, project installations and computer animation will be used. There will be a questions and answer period at the end of the program, however, the program is designed to be interactive, and questions are encouraged throughout as well.

A/V Needed:

Electric power and a screen, video system or blank wall for the PowerPoint presentation. (The CES facilitator will provide the laptop and projector).

Target Audience:

Architects, Engineers, Specifiers, Owners, and other Design Professionals in the commercial, residential, and industrial markets.

Facilitator Qualifications:

The CES facilitators receive in-house training on CES guidelines and presentation skills. All have extensive construction industry experience and up to 25 years in the tile and stone industry.

Cost:

Not Applicable. There is no fee for bringing this program into a firm or chapter meeting.
