

# SPECTRALOCK® 1

## A Grout Evolution! Pre-Mixed Grout with Epoxy Performance

Globally Proven Construction Solutions

# Never before has a pre-mixed grout offered the superior strength and performance of an epoxy, now found in **SPECTRALOCK® 1**.

This patent pending, professional grade grout offers all the benefits of SPECTRALOCK epoxy grout without the hassle of mixing. **SPECTRALOCK® 1** provides exceptional durability, extreme versatility, and excellent color consistency – even with the most demanding applications.

## Locks in color and blocks out stains

Available in all 40 LATICRETE colors, **SPECTRALOCK® 1** has uniform color consistency using SPECTRALOCK sand and is Stainproof<sup>^</sup>. **SPECTRALOCK 1** is professionally formulated to ensure a long-lasting appearance, year after year.

## Strongest pre-mixed grout on the market (meets ANSI A118.3)<sup>‡</sup>

Tested and evaluated in accordance to ANSI A118.3, **SPECTRALOCK 1** outperforms traditional pre-mixed grouts currently available on the market. With a PSI rating 10X higher than the standard pre-mixed grouts, **SPECTRALOCK 1** is the strongest pre-mixed grout available – resistant to cracking and rated for extra heavy foot traffic for an installation that can last a lifetime.

## No mixing required

Provides quick and easy installations, with no stirring or mixing, and easy water clean-up. The resealable package reduces waste and overall material costs, and can be opened and reused for up to 6 months.<sup>†</sup>

## No sealing required

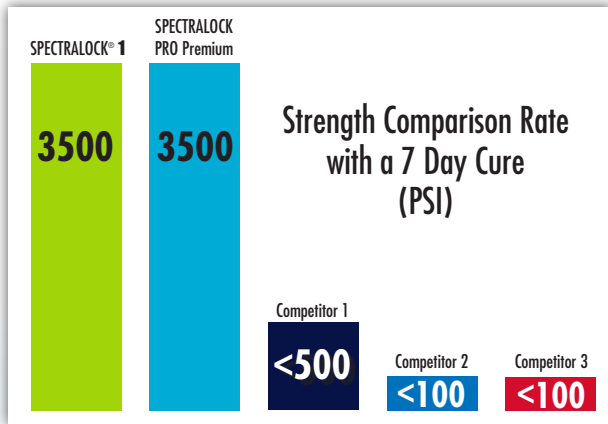

Eliminates discoloring, blotches, and shading. Microban<sup>®</sup> antimicrobial technology inhibits the growth of stain-causing mold and mildew as well.

## Low VOC and low odor

Easy and safe to use with no epoxy resins.

## Tile installations that last

From showers and pools, to interior and exterior applications, **SPECTRALOCK 1** is the most versatile pre-mixed grout on the market.

Not only can you utilize **SPECTRALOCK 1** for MORE installations than other pre-mixed grouts, you gain the added benefit of increasing your overall productivity.

**SPECTRALOCK 1** is backed by a lifetime warranty\*. When combined with a complete LATICRETE® installation, **SPECTRALOCK 1** provides the strength and quality expected from a flawless application.

Snap for more information and the **SPECTRALOCK 1** story.

Eliminates mixing, waste and intense cleaning procedures.
