

January 2021

Dear LATICRETE MVP,

LATICRETE, the industry leader in innovative high-performance solutions for the installation of tile and stone, is pleased to introduce **Glass Tile Adhesive Lite!**

Glass Tile Adhesive Lite is a high performance, lightweight, non-sag, polymer fortified adhesive mortar that is specifically formulated for use in glass tile applications. This adhesive contains no respirable crystalline silica levels that exceed the OSHA action level[^], is ultra-white in color and non-sanded with a smooth easy-to-trowel consistency and extended open-time for ease of installation. The robust formula provides a high bond strength and exceeds the requirements of ANSI A118.15.

At 12.5 lbs. (5.7 kg), **Glass Tile Adhesive Lite** is half the weight of a traditional thinset yet offers the same coverage as a 25 lb. (11.3 kg) bag. The lightweight feature means that it is easier to transport and easier to handle on the jobsite.

Glass Tile Adhesive Lite will replace the current LATICRETE® Glass Tile Adhesive. Offering improved ANSI performance, **Glass Tile Adhesive Lite** is available in white and is a component of the LATICRETE 25 Year System Warranty*, providing one source, one warranty from the substrate to the grout.

Glass Tile Adhesive Lite provides you with all of these features and benefits:

- Exceeds ANSI A118.15
- Meets ISO 13007-2, C2TES1P1
- Lightweight
- Non-Sanded formula
- 40 minute open-time
- Consistent, ultra-white color
- Optimal bond strength with minimal shrinkage
- Single component - no admix needed
- Superior non-sag performance
- A component of the LATICRETE 25 Year System Warranty*

On the [MVP Portal](#), you will find the following information:

- Glass Tile Adhesive Lite Data Sheet
- Glass Tile Adhesive Lite Safety Data Sheet
- Glass Tile Adhesive Lite Sell Sheet
- Adhesives Catalog

Glass Tile Adhesive Lite will be available for shipment on February 8, 2021 and the product SKU is: 0296-0125-22. We are very excited about the launch of this latest addition to the LATICRETE Adhesives product line and hope you are as well. If you have any questions, please contact me, your LATICRETE Distributor or LATICRETE Technical Sales Representative.

Thank you for supporting LATICRETE!
