

January 2021

Dear LATICRETE MVP,

LATICRETE, the industry leader in innovative high-performance solutions is pleased to introduce a new/revamped product, **NXT® Level Plus**. This product fills in a large gap in the product line and is a high quality, premium strength (5300 psi / 26.2 MPa), cement-based, fiber reinforced, free-flowing underlayment for use in leveling interior Plywood/OSB (without lath), Gypsum and Concrete substrates.

This rapid setting formula produces a flat, smooth, and hard surface for the installation of finished flooring as soon as 12 hours. **NXT Level Plus** is extremely versatile and can be used in a wide range of applications. Condensing the number of products needed, saving space. **NXT Level Plus** is just what we needed, a new premium choice!

The **NEW NXT Level Plus** provides you with all of these features and benefits:

- Rapid Curing - Finished floor goods can be installed 12 hours after placement
- Fiber Reinforced - Provides additional flexural strength
- Self-Leveling - Smooths existing rough concrete, Gypsum, and plywood
- Pourable and Pumpable - Perfect for small and large applications
- Minimal Downtime - Can be applied over concrete testing up to RH of 100%
- Superior Compressive Strength - Provides a long-lasting application
- Equipped with Microban® - Prevents mildew growth

On the [MVP Portal](#), you will find the following information:

- NXT Level Plus Data Sheet
- NXT Level Plus Sell Sheet
- NXT Level Plus Safety Data Sheet

NXT Level Plus will be available for shipment on February 8, 2021 and comes in our premium, grey packaging. The new product SKU is: 0902-0055-21 and will replace the old version of **NXT Level Plus** (SKU 0901-0055-21). This old SKU will be discontinued so please update your records.

We are very excited about the launch of this latest addition to the LATICRETE® Concrete Remediation product line and hope you are as well. If you have any questions, contact me, your LATICRETE Distributor or LATICRETE Technical Sales Representative.

Thank you again for supporting LATICRETE!
