

February 2020

Dear LATICRETE MVP,

LATICRETE, the industry leader in innovative, high-performance solutions for the installation of tile and stone, is pleased to introduce SPECTRALOCK® 1 Pre-mixed Grout. Never before has a pre-mixed grout offered the superior strength and performance of an epoxy, now found in SPECTRALOCK 1. This patent pending, professional grade grout offers all the benefits of SPECTRALOCK epoxy grout without the hassle of mixing.

SPECTRALOCK 1 provides exceptional durability, extreme versatility, and excellent color consistency – even with the most demanding applications.

Providing exceptional versatility and excellent color consistency, SPECTRALOCK 1 is stain-proof and available in a wide variety of colors to match any design.

SPECTRALOCK 1 achieves all the standards under the ANSI A118.3, of which no comparable product on the market can claim. No other pre-mix grout currently offers the strength, quality and application opportunities in a true, pre-mixed grout.

SPECTRALOCK 1 provides your customers with multiple benefits:

**Locks in color and blocks out stains**

Available in all 40 LATICRETE colors, SPECTRALOCK 1 has uniform color consistency using SPECTRALOCK sand and is stain-proof<sup>^</sup>. SPECTRALOCK 1 is professionally formulated to ensure a long-lasting appearance, year after year.

**Strongest pre-mixed grout on the market (meets ANSI A118.3)**

Tested and evaluated in accordance to ANSI A118.3, SPECTRALOCK 1 outperforms traditional pre-mixed grouts currently available on the market. With a PSI rating 10X higher than the standard pre-mixed grouts, SPECTRALOCK 1 is the strongest pre-mixed grout available – resistant to cracking and rated for extra heavy foot traffic for an installation that can last a lifetime.

**No mixing required**

Provides quick and easy installations, with no stirring or mixing, and easy water clean-up. The resealable package reduces waste and overall material costs, and can be opened and reused for up to 6 months.

**No sealing required**

Eliminates discoloring, blotches, shading and includes anti-microbial technology

**Low VOC and low odor**

Easy and safe to use with no epoxy resins

**Globally Proven Construction Solutions**

We are very excited about the launch of this latest addition to the LATICRETE® Grout product line and hope you are as well. If you have any questions, please contact me or your LATICRETE Sales Representative. Thank you again for supporting LATICRETE!
